Has a physician or previous dentist recommended that you take antibiotics prior to your dental treatment?

Name of physician or dentist making recommendation: _____ Phone: _____

Do you have any disease, condition, or problem not listed above that you think I should know about?

Please explain: _____

NOTE: Both Doctor and patient are encouraged to discuss any and all relevant patient health issues prior to treatment.

I certify that I have read and understand the above and that the information given on this form is accurate. I understand the importance of a truthful health history and that my dentist and his/her staff will rely on this information for treating me. I acknowledge that my questions, if any, about inquiries set forth above have been answered to my satisfaction. I will not hold my dentist, or any other member of his/her staff, responsible for any action they take or do not take because of errors or omissions that I may have made in the completion of this form.

Office Appointment Policies

Please be considerate and confirm your appointment by phone, text, or email.

If the appointment is not confirmed, your appointment will be assigned to someone else who needs that time. Appointments WILL NOT be held without confirmation.

If an emergency should arise, you may cancel your appointment if possible with a 24 hour notice and still be able to reschedule.

If an appointment is cancelled on short notice, I.E. less than 24 hours, there may be a \$50 charge.

Once two appointments have been missed we will no longer reappoint.

Our office is one of the only Medicaid providers left in Topeka, so take this into consideration when scheduling appointments as we are not tolerant of No Shows or Short Notice cancellations.

**COVID-19 PANDEMIC DENTAL TREATMENT NOTICE AND
ACKNOWLEDGEMENT OF RISK FORM**

Our goal is to provide a safe environment for our patients and staff, and to advance the safety of our local community. This document provides information we ask you to acknowledge and understand regarding the COVID-19 virus.

The COVID-19 virus is a serious and highly contagious disease. The World Health Organization has classified it as a pandemic. You could contract COVID-19 from a variety of sources. Our practice wants to ensure you are aware of the additional risks of contracting COVID-19 associated with dental care.

The COVID-19 virus has a long incubation period. You or your healthcare providers may have the virus and not show symptoms and yet still be highly contagious. Determining who is infected by COVID-19 is challenging and complicated due to limited availability for virus testing.

Due to the frequency and timing of visits by other dental patients, the characteristics of the virus, and the characteristics of dental procedures, there is an elevated risk of you contracting the virus simply by being in a dental office.

Dental procedures create water spray which is one way the disease is spread. The ultra-fine nature of the water spray can linger in the air for a long time, allowing for transmission of the COVID-19 virus to those nearby.

You cannot wear a protective mask over your mouth to prevent infection during treatment as your health care providers need access to your mouth to render care. This leaves you vulnerable to COVID-19 transmission while receiving dental treatment.

I confirm that I have read the Notice above and understand and accept that there is an increased risk of contracting the COVID-19 virus in the dental office or with dental treatment. I understand and accept the additional risk of contracting COVID-19 from contact at this office. I also acknowledge that I could contract the COVID-19 virus from outside this office and unrelated to my visit here.

I have read and understand the information stated above.
